Remarks

Victorian-style 2.5-story home built in 1900, situated on a large lot with mountain views. Features include 3 bedrooms, 1.5 baths, an open kitchen, combined living and dining area, parlor with curved staircase, and both front and back staircases. Possible hardwood floor under the carpet throughout. The layout includes a bonus room for an office or dressing area with access to a covered balcony. Additional highlights: attic storage, 2-bay garage, shed, and powder room with cabinet storage. Large covered front porch. The home is ready for updates and offers plenty of potential to make it your own. Prime location for access to area's outdoor activities and within a half hour to Lehigh Valley amenities.
